SUMMARY

MCA candidate and entry-level Data Analyst with internship experience in data processing, content classification, AI/ML data preparation, reporting, and data visualization. Skilled in Python, SQL, Power BI, DAX, Excel, Pandas, NumPy, Scikit-learn, data cleaning, exploratory data analysis, dashboard development, KPI reporting, and machine learning. Experienced in applying data and machine learning techniques through projects involving customer churn prediction, business analytics, NLP-based text classification, and predictive systems. Seeking entry-level opportunities in Data Analytics, MIS, Business Intelligence, Power BI, AI/ML, or Python-focused roles.

SKILLS And TECHNOLOGIES

Languages: Python, SQL, Java

Data Analytics: Data Cleaning, Data Processing, Exploratory Data Analysis (EDA), Data Visualization, Data Interpretation, Data Quality, Statistical Analysis

Data & BI: Power BI, DAX, Microsoft Excel, Dashboard Development, KPI Reporting, MIS Reporting, Business Intelligence, Reporting

Python & Data Libraries: Pandas & Numpy

Machine Learning: Scikit-learn, Classification, Feature Engineering, Data Preprocessing, Model Training & Evaluation, Random Forest, Logistic Regression

Databases: FastAPI, Flask, Git, GitHub, VS Code

EXPERIENCE

Data Analyst Intern

Remote

Inditronics Pvt Ltd

Jun 2025- Oct 2025

- Classified and organized radio broadcast content including advertisements, songs, and programs for structured data and AI/ML workflows.
- Used Python, Pandas, and NumPy for data processing, preparation, and organization.
- Performed audio-content labeling and annotation to support machine-learning model development.

ML Intern

GTT Data Solutions Limited

Feb 2026- Apr 2026

- Successfully completed an internship at GTT Data Solutions Limited as part of the MCA program at Trinity Academy of Engineering.
- Gained practical experience in Machine Learning through real-world tasks and projects. Improved problem-solving, teamwork, and professional communication skills.
- Worked collaboratively with mentors and team members during the internship. Developed industry knowledge and hands-on experience in AI and data-related technologies.

PROJECTS

AI-POWERED CUSTOMER INTELLIGENCE & CHURN PREDICTION PLATFORM

Python | Pandas | Scikit-learn | SQL | Power BI

[GitHub](#)

- Analyzed 7,043 telecom customer records to identify churn patterns, customer segments, and retention opportunities.
- Performed data cleaning, preprocessing, exploratory data analysis, and machine-learning-based churn prediction.
- Developed Power BI dashboards for churn KPIs, customer risk analysis, segmentation, and retention insights.

ZOMATO ANALYTICS DASHBOARD

Power BI | DAX | Excel | Data Visualization

[GitHub](#)

- Developed an interactive Power BI dashboard to analyze business and customer-related data.
- Created DAX measures, slicers, filters, and KPI visualizations for interactive reporting and trend analysis.
- Transformed data into business-oriented visual insights using Power BI and Excel.
- Designed dashboard views to support data exploration, comparison, and performance analysis.

PSYPHEPULSE – MENTAL HEALTH NLP RESEARCH PLATFORM

Python | NLP | Scikit-learn | FastAPI | React | TypeScript

[GitHub](#)

- Developed a research-oriented NLP platform for text classification and machine-learning inference.
- Applied Natural Language Processing and machine learning techniques to user-provided text.
- Integrated machine-learning models with a FastAPI backend and React-based user interface.
- Worked with text preprocessing, TF-IDF-based feature representation, classification, and model inference.

Education

KJEI's Trinity Academy of Engineering (SPPU)

Master of Computer Application (Pursuing)

2025-Present

- SGPA: SEM 1: 8.27/10.00
- SGPA: SEM 2: 8.50/10.00

Abeda Inamdar Senior College

Bachelor of Computer Science

2022-2025

- SGPA: 7.43/10.00

Achievements

- MCA SGPA: 8.38/10.00
- Completed Data Analyst Internship at Inditronics Pvt Ltd.
- Got Employee of the Month Award during Data Analyst Internship at Inditronics Pvt Ltd.
- Completed Machine Learning Internship at GTT Data Solutions Ltd.
- Completed Virtual Internship at Deloitte From Forage
- Built Different Projects To Boost My Skills

Certifications

- CERTIFICATIONS [LINK](#)
- Deloitte Australia – Data Analytics Virtual Experience | Certificate
- Deloitte Australia – Technology Virtual Experience | Certificate
- Data Analytics Training | Certificate
- Python Programming Training | Certificate Excel Training | Certificate
